

“Inspired to Lead, Dedicated to Serve” & “Building the Legacy”

The Lodge Leadership Development Program (LLDP) will be held at the First Baptist Church of Orlando on Saturday, August 23rd. The theme for the event is “Inspired to Lead, Dedicated to Serve”. This premier training opportunity is designed for all chapter officers and committee chairmen to heighten their understanding of their new position and for more experienced members to share their knowledge. The LLDP will allow for classroom sessions and group discussions to empower the respective chapter committees to operate on a higher level. Come prepared to learn and share experiences with chapter leaders from across the lodge. The Tipisa Lodge Banquet will be held directly following the LLDP. Share in the success of the Lodge as we celebrate the accomplishments of the 2007/2008 program year.

The registration fee for the LLDP is \$5 and includes breakfast, lunch, and training materials. The fee of the Lodge Banquet is \$20. Pre-registration is due at council by August 15. Late registration for the Lodge Banquet is \$25.

Register online at www.tipisa.org by August 15th to avoid a \$5 late fee!
