

2009 National Order of the Arrow Conference

The National Order of the Arrow Conference (NOAC), held at **Indiana University on August 1-6, 2009**, is the **largest event for arrowmen**. NOAC is not only a great opportunity to learn a lot about the Order, but to meet other arrowmen from across the nation, and make new friendships. With so many classes and activities, **there is something for everyone to enjoy**. And don't forget about Founders' Day, an event like no other!

The current **estimate** for our contingent is about \$1,000 per person, including transportation to and from the event, along with any other planned activities. Fundraising opportunities will be available through chapters. Costs should never keep an arrowman from participating. Let us know if you need help with fundraising.

Join your brothers of the Red Tipi for a GREAT adventure!
